Presidents Report

For the next few weeks all attention will be on members performing on stage plus those involved in backdrops and front of the house for the upcoming Wild West music shows, which means all business at club level will grind to a temporary halt.

I wish Steve, Andy and Judy all the best for our 38th show.

The change over dinner was very successful and my special thanks must go to Fay Hopf, Julie McGeever and Trevor Hopf who helped me organise this dinner.

Congratulations to all those new Board Members and I look forward to serving the next twelve months with them.

One of our main objectives will be to increase our membership and with the help of Rotarian Sparra we hope to increase it by five percent.

The State Government have made available to all Rotary clubs in Tasmania a grant of \$500.00 to conduct a Celebrate Tasmania Event in our area to be held on 8th November 2009. I think this would be a great way for us to be able to conduct an event and get the publicity our club needs. So if any member has any great ideas what we should do, let us know as applications have to be lodged by the 31st August 2009.

Yours in Rotary President Chris

Good morning Mike,
Please find attached a summary of the recently held RYDA program that some of your club members assisted with group leader duties. Your club will be getting a letter of appreciation shortly, however Kay Kidd has asked me to send you this by email
Thanks for your help, it was greatly appreciated.
Yours in Rotary service

The Science & Engineering Challenge

The Science & Engineering Challenge is on again this year and will be held at Marist College on July 16th for high school students. Last year it was in Devonport. Peter Scott from the Rotary Club of Devonport South East is the North West Coast co-ordinator and has asked me to contact you to help get support from your three local Rotary Clubs. They need about 30-35 Rotarians to assist on the day and Peter thinks he can get some from this end of the Coast. The day starts about 8.30 am and concludes mid afternoon and Rotarians are needed to assist in a supervisory role. I did it last year and it was very interesting and not at all difficult. Peter is also looking for someone from the Burnie area to co-ordinate this program and number of Rotarians available to assist
Peter's number is 6424 6810 (work) and if you could let me know your thoughts on this sometime tomorrow, I will pass them onto Peter tomorrow night as I plan to attend their meeting.

Many thanks
