Presidents Report

The power point presentation given by the three grade 10 students from the Wynyard High School, made us all feel quite proud of firstly be the largest sponsor of their Solar Power Challenge, and secondly seeing what our local school can do in having the capability to produce such high quality tasks.

As mentioned at last week's meeting that the idea Rotarian Judy suggested for our involvement in Tasmania Day celebrations was given to the Lions Club of Wynyard and they liked the idea. They have asked if we could form a small committee of perhaps three Rotarians to meet with The Lions Club to toss other ideas that can be planned for this event.

For those who have not read the District Governors Newsletter for August the issue shows how a club can recruit new members, the Rotary Club of Moonah have just inducted eight new members into their club, and have offered their advise and help to assist clubs increase membership, and that is why your Board has made available an amount of monies to assist your Club Service Director in membership development.

Our Club needs to especially target younger members 30+. We not only need to bring new members into the club ,but we must nurture them after they join and not have them leaving soon afterwards
 Rotarian Ellen Burn is Service Director and she is concerned about Membership, so lets all get behind her and support her.

August is Membership month

District Simplified Grants

Has your club considered applying for a District Simplified Grant? Why not identify a project in your community or a community overseas and apply for a grant. Forms and guidelines are being forwarded to clubs at this time. US\$1000 could be available to add to your club's contribution for a project of your choice. Closing date for applications will be September 30. Please note that grants can't be used for the purchase of land and buildings, renovation of structures or the payment of salaries. For assistance please contact Grants Chairman Lew Pretorius or Foundation Chairman Kevin Shadbolt

Learn?Grow

Bruce French, the intellectual force behind Learn?Grow has been appointed as an Honorary Associate of the School of Agricultural Science at the University of Tasmania. This will strengthen ties between the University of Tasmania and Learn?Grow, especially in the area of training overseas agriculturalists in the principles and practices of Learn?Grow. Learn?Grow is looking to arrange for an Ambassadorial Scholar to study Learn?Grow at the University.

From the DG

Quality Membership Growth

August is membership month and therefore a good time to think about our future. Most Rotarians are members of other organisations in which active participation is not expected. Such organisations are usually pleased to have the support of their membership with little more being expected of the average member than paying the annual subscription and a vote at the occasional election (often of secondary importance).

For those not there Meeting held Monday 3rd August 2009

President Chris welcomed our AG Ken Moore from the Rotary Club of Burnie and our guest speakers David, Ben and Andrew and their teacher Heather Russell from Wynyard High.

A.G. Ken reminded us of the Membership Development and Publicity Forum in Devonport on the 3rd October, the D.G.'s visit on the 5th and the Rotary Fellowship Forum for Group 8 on the 7th. Ken is seeking input on topics that could be included for the Group Forum.

Sgt. Steve had good fun extracting many fines

Wolf: for making airplanes at a meeting

Lesley - for her phone ringing

Rod, Kayelene, Graeme, Steve C, Tony Boys and Greg Smith - just to name a few without badges.

Sgt. Steve for not winning any money on Powerball and losing his glasses twice in one evening.

Peter Radel for his birthday and his 'Poppy Naps'

Heads 'n Tails - first of all a lesson had to be given to the lads from Wynyard High, however in the end the winner was Fred.

President Elect Ellen spoke on the need to introduce more members to our Club and the action that the Club Service Committee will be taking in an endeavour to increase the membership. If you have any names that Ellen could invite could you please give them to her.

Graeme Saward advised the meeting that we have a Guest Speaker from the Mentor program coming next week and Tracey Bradley from Council the week after. She will be talking on the Adult Day Care Centre.

Kayelene reminded members that she is still seeking prospective GSE Team Members. If you know a young professional person aged 25 - 40 please get an application form from Kayelene.

Trevor and Michael reminded their committees that there would be a meeting after the closing of the normal meeting.

Treasurer Doug advised members that the Club Dues are \$200 per person but can be paid in two installments. If you would like to use a credit card then the fee will be an extra 5%.

David, Ben and Andrew gave us an excellent presentation of the making and the competing of their solar powered boat. Steve Walker was thanked for his guidance and assistance and was presented with their boat as a tribute of their gratitude. This year they will be entering a male and a female team. A very interesting presentation.

DON'T FORGET - Club assembly on the 31st August. Get your questions, suggestions, comments and ideas into 'the box'.

Dinner fee is \$20 per head - effective 10th August (much easier for those on reception!)

BULLETINS WILL NOW BE EMAILED TO MEMBERS and only 5 copies brought to the meeting - we only have 1 member not on email.

Thank you to those members who brought in toiletries for Fiji - please keep bringing them along. We don't want you to go out and buy anything - just collect 'the goodies' from hotel rooms. Many thanks. Fay
