**Presidents Report**

I have just received good news, our exchange student Edwardo Ono will be arriving on Monday the 17th August at the Wynyard Airport at 8.05 pm.

We will endeavour to finish our meeting early so as those who would like to go to the airport to meet and welcome him can do so.

As we all know the Trivia night was a very successful evening we have made up the difference and the amount we are going to donate to the Country Women's Assn will now be \$2000.00.

Rotarian Fred and I had a discussion about our involvement in the fencing project and we are putting it on hold for the time being. This project will be ongoing for a while yet, so if anyone wants to go to Victoria can do so by joining another crew from another club. The cost is minimal as everything is covered so if you are interested you can ask Rotarian Fred and he will tell you who to get in touch with.

Yours in Rotary

Chris

### International Services Report Group Study Tour 2010 to New York City and Loire Valley, France

Wanted—bright young people (25-40 yrs) to join the GSE District Team visiting France in March 2010 and New York in April 2010. Young professionals from two different countries exchange visits. For around one month team members experience the way of life, customs and vocational practices of another country while sharing information about their homeland. This is a FANTASTIC opportunity at very little cost to the young person. Who would benefit???

*Closing date for nominations: 31st August*

### Rural Health Week—8-13th November 2009 Putting your health over The Pits!

This is a mobile health service provided by North West Community Health and Social Work Services. Richard Muir-Wilson from Waratah-Wynyard Council, has applied for a grant to obtain this very worthwhile service in our area during Rural Health Week. The aim of Pit Stop is to attract men who might otherwise avoid visits to the doctor to call in and have a free check-up. There are also facilities for women, but the primary aim is to reduce the incidence of preventable illness among men. How can we help? Publicity by word of mouth and personal encouragement; assistance on the day with catering, welcoming, parking and all those other useful things we are so good at!!

More information to follow please note the date.

November*
