FAMILY

Three sisters ages 92, 94 and 96 live in a house together. One night the 96 year old draws a bath. She puts her foot in and pauses. She yells to the other sisters, 'Was I getting in or out of the bath?'

The 94 year old yells back, 'I don't know. I'll come up and see.' She starts up the stairs and pauses. 'Was I going up the stairs or down?' The 92 year old is sitting at the kitchen table having tea listening to her sisters. She shakes her head and says, 'I sure hope I never get that forgetful,' as she knocked on her wooden table for good measure. 'She then yells, 'I'll come up and help both of you as soon as I see who's at the door.'

FOR THOSE WHOM MISSED OUT LAST WEEK

MEETING HELD 21ST SEPTEMBER

President Chris welcomed many guests and visitors to our meeting - Tamara Grey of Australian Hearing who was our Guest Speaker, Larry Davis, Natalie Williams, Roger Badcock, Eduardo Oda and Nathan Cox.

A very lively and busy meeting - it is great that we have some new projects and functions happening.

TREVOR HOPF - COMMUNITY SERVICE CHAIRMAN - Presented Larry Davis with a shiny new mobility scooter from The Sylvia Powell Trust and advised the meeting that the owners of AJ Bikes and More had made a \$100 donation to the Club.

Trevor also advised that we had received a \$1000 cheque from Waratah-Wynyard Council as a grant under the Community Assistance program.

We still need people to put their names on the Roster for the Tulip Farm - if you haven't put your name down please do so on Monday night. Assistance from partners would be very much appreciated.

The trees in Saunders Street have been planted however one was broken before it even got in the ground.

FACES PAST and Present How many can you pick?

Red Cross and Rotary to the rescue!

You can all rest easy knowing that there are now 3 Wynyard Rotarians fully trained to offer Personal Support through the Red Cross Service should there be a major disaster or evacuation in this area! Just the sight of Rotarians Steve Seaford and Mike Dixon in their distinctive aprons, or the beige capped Janet Sell, who was fortunately not captured on camera, should raise the spirits of the most distressed affected people! Seriously, we found it was very useful to have the experience of a mock evacuation exercise on Friday 18th September, and we were delighted to have members of the Wynyard Lions Club acting as the affected clients. 'Doing the most for the most'

ShelterBox Founder Tom Henderson has won the forum3 Alternative Rich List from 100 people who were nominated for the award. This award recognises society's true heroes; the people whose wealth is measured not in money but in the way they have enriched the lives of others through their actions.

On hearing he'd topped the Rich List, Tom was pragmatic as ever: 'I always say life is about doing the most for the most. To win this award is a

tremendous honour but one I share

with the thousands of ShelterBox supporters and volunteers around the world.'

Tamara Grey gave us a very informative talk on the services provided by Australian Hearing.

Deaf lady in trouble

One day a lady was driving on the Highway. She frequently checked her speed gauge to make sure she stayed within the speed limit. However, when she looked into her rear mirror, much to her dismay, she saw a police car not far behind! And, to make matters worse, the police car turned on his flashing lights. She thought to herself, "Uh-oh, what have I done now? I'm not speeding. I'm not drinking. I have my seat belt on! I have kept up my license dues and everything!"

So, she pulled over and the police car pulled over to the side right behind her car. She drove her car slowly to a stop, slowly rolled down the window, and prepared for a ticket when she knew she didn't deserve it. A policeman walked up to her window, and spoke to her. The lady pointed to her ear and shook her head, meaning she was deaf. The policeman smiled slightly, and knowing sign language, signed back, "I know. I'm here to tell you that your horn is stuck."
