The Rotary Club of Wynyard hosting of the Group Study Exchange Team from District 1510 Loire Valley France

Thursday 18 March - Sunday 21 March 2010

International Service Chairman, Kayelene Sweeney has asked me to be the coordinator for the hosting of the GSE Team from the Loire Valley in France.

On Thursday the 18th of March 2010 we will meet the team after being hosted by the Rotary Club of West Tamar. We will probably meet about half way for the handover.

The District Chairman and Committee is asking us to organize a meeting for that night so that they can make a presentation to us and has suggested that we make this a joint meeting with Burnie and Somerset.

Friday the 19th March will be a Vocational Day for the team. As soon as we have been advised of the various vocations of the team I will be seeking your assistance in arranging appropriate vocational visits. Friday night arrangements are to be confirmed.

On Saturday we need to arrange a group 'outing'. As Wynyard seems to be as far north west as they are going perhaps it is a day for Stanley and the like.

On Sunday the 21st we will be transferring them to the RC of Latrobe.

We will require 5 host families for the team - 3 nights. Can you please help? The team will be aged between 25 and 40 years of age and the Rotary Team Leader will be older.

I will require your name/s, street address, phone numbers etc as this is required by Rotary International.

Could you please check your diaries and advise if you can assist with hosting for the three nights - Thursday 18th March, Friday 19th March, Saturday 20th March. We do try to arrange as many group activities as possible so as to ease the burden on families.

Please email me if you can help

P.P. Fay Hopf - Group Study Exchange Coordinator.

ShelterBox assistance sought from Philippine Rotarians

On Saturday, Tropical storm Ondoy (Ketsana, international name) brought a month's worth of rainfall to metro Manila and nearby regions in just one hour. The UN is reporting a death toll of 240 and rising and the number of displaced survivors is said to be 375,000. In total, it is reported that 1.87 million people have been affected.

ShelterBox Australia received three separate requests for assistance from Rotary Clubs in Manila. Australian ShelterBox Response Team (SRT) member and Rotarian Peter Pearce packed his bags for the second time in six weeks to travel to Manila to assess the need and viability.

Joining Peter will be UK SRT Lizzy Treglown who worked with Peter in the last deployment – between them they have all the local Rotary and government contacts to best understand the infrastructure which will allow them to deliver aid quickly and most effectively.

It was only weeks ago that ShelterBox provided 334 ShelterBoxes to those affected by Typhoon Morakot but now they have been left reeling yet again from another catastrophic tropical storm.

The worst may not be over for the Philippines with weather experts warning another storm or typhoon could hit the region in the next couple of days.

Overwhelmed Philippine authorities have appealed for international aid as the death toll from the once-in-a-lifetime floods soar and weary survivors shelter in squalid conditions.

The Philippine government states that more rain fell on Manila and the surrounding areas than on New Orleans when Hurricane Katrina hit in 2005.

Please help if you can.

We need your assistance to replace the ShelterBoxes used in Indonesia, China, Philippines, Niger, Mexico, Jakarta and India over the past six weeks.

\$1200 allows a survivor shelter with dignity!

Presidents Report

I feel that almost all members who were present last week understood what Rotarian Greg Smiths comments related to and that the Club can rescind a motion that was passed in relation to monies invested with B&E for Music Hall expenses. At the next Board Meeting this will be discussed.

Our Rotary Exchange student Eduardo will spend this weekend at a Greens Beach camp and a Orientation day in Launceston where he will meet up with all the inward and outward bound students, should be an exciting weekend, and later in November he is off on the 11 day Rotary Youth Exchange 2009 Tassie Tour.

Congratulations to all our members who attended meetings during June 2009 we made top spot in the ranking yes NUMBER 1.

The Wynyard Medical Centre are seeking Host Families for two John Flynn Scholarship students that will be doing clinical teaching placement for two weeks starting 29/12/2009 to the 12/01/2010. The students are Camilla Holt from Queensland, Rebecca Young from Western Sydney. Host families are eligible to claim \$175.00 from the John Flynn Placement Program and also each student is required to pay \$100.00 per week for accommodation and meals. We have hosted students in the past, so if anyone is able to help please let Secretary Fay or myself know.

Yours in Rotary

Chris

Sgt. Barry Payne replaced Major Andrew Farquhar as our Guest Speaker (at very short notice we were told). Barry has been in the Army reserves for 19 years and did spend three months in Malaysia. In his 'other job' he works for McCain Foods in Smithton and he also has his own excavating business - a very busy man. There are a number of Reserve Units in Tassie and Barry is attached to the unit in Burnie where they have 17 members. The entry age is 17.5 years and the cut off age is 65 years. It was a very interesting talk.

Many heard Li Cunxin speak at the Launceston conference about three years ago and many have read his book. I am sure the movie will be 'a must see'.

Graeme Saward advised that it is the DG's visit next week (5th); on the 12th the Guest Speaker will be Peter Lyons (Journalist) and then on the 19th Eduardo will do his presentation.

Club Service - Ellen Burn again reminded us of the Public Relations and Membership Forum to be held at Devonport on the 3rd and also advised us of a fundraiser for the club - buying and selling of Christmas Cakes, Puddings and shortbread. Ellen will give us more info on this. Ellen also let us know that she has been working on our unfilled classifications and that we all have a role to play. The 9th of November has been set down for us all to work on this.

Trevor Hopf - Community Service. We (Rotary and Lions) have been successful in receiving a grant of \$2475 from the Premier's department to run Tasmania Day celebrations on the 8th of November. The community service committee will meet on Wednesday night (30th) to make further plans.

Kayelene Sweeney - International Service advised that she would have more information on the Garage Sale next week. Please start your 'Spring Clean' and donate anything to the club. This will be held on Saturday the 21st of November. Also, the sponsorship of Albert for the Burnie Ten was going very well however if you haven't sponsored Albert and would like to do so then please see Kayelene. Proceeds will go towards the purchase of a ShelterBox.

Michael Freeman - Vocational Service - More on Pit Stop shortly.

Robert Stokes - New Generations - read a letter from the Rotaract Club of Central Coast concerning a Global Poverty project. More information from Robert.

Graeme Saward - Music Hall a date will be set for Rod to return his costume and for a general clean up.

Heads 'n Tails was won by Peter Radel (Doug made sure we got to have a taste at the top table this time). **Queen of Hearts was won by Ray Shires who picked the three of diamonds.**

Steve Seaford our Sergeant was in fine form and of course got many for their football losses or wins, Steve Walker for his birthday & being late, Julie McGeever for going clothes shopping one day and returning them all the next day, Steve had to also pay a fine because he forgot the fines box, Tony Boys for singing the colorectal song to all and sundry in Canada and Alaska. Janet paid a happy Dollar as Bernard has got new hearing aids; Lesley also paid a Happy Dollar for Amy representing Tassie in squash and many more that I didn't get down. Many paid some sad dollars: Ellen because a tree had come down over the power lines and she doesn't know when she will have electricity, Ron because his cattle feeder blew into the Seabrook valley, Tony Boys for being locked out of his house when the electricity went off - he only had his remote control for the garage door with him, Pres. Chris because he didn't tie the wire tight enough around the new trees, Sue Hope because we didn't come down and help out with the 60 residents at Ibis Care

Peter Radel gave an update on Judy. We are all thinking of you Judy and Steve.

Wolf advised that our former member John Gursansky had assisted in pruning the trees in Saunders Street. The secretary will send a thank you letter to John
