Presidents Report

This weeks Bulletin should be kept close handy to enable all members to be able to relate the abbreviated codes we all use to describe Rotary Words and phrases, Bulletin Editor Doug has listed most of the ones we use frequently, plus others as well

Rotarians Fay and Trevor who are in Fiji visiting their family, have asked the Board Members for a small amount of money to help relocate a destitute family who are living in a rusty old iron shed about as big as a single garage. After a quick phone around the Board Members agreed to the request.

The request for a meeting to be held at The Wynyard Yacht Club has been approved and will be the Brazilian Night.

Our thoughts are with Rotarian Ellen who lost her Mother during the Easter after a long illness.

Just a reminder that the next Garage Sale is not far away, so sort out those unwanted items you no longer have use for (not your partner)and donate them to this fundraiser. Also make sure you have folded the letterbox drop pamphlets, as we aim to start deliveries next week.

Yours in Rotary

Chris

The Wynyard Markets As you'd all know the Tulip Festival Committee usually conducts the sausage sizzle for these markets but as they were unable to find any volunteers for Easter Sunday, contacted Wolf and asked if Rotary would be interested in taking over on this occasion.

Wolf immediately said yes, and phoned to see if Steve would be interested in helping him. Of course, Steve said OK. It was a particularly busy morning and the netted net profit was \$391.00 for Rotary. Not bad for a morning's work!

Wanted – homes for 3 dynamic young medical students!

We now have details of the 3 students coming to spend the week 19th – 23rd April in Wynyard. They will require B & B for 4 nights and one or two evening meals. A programme of visits to local health professionals, community groups and work places is being organised for them. They will have to write up their experiences and present a summary of their findings on the final morning, Friday 23rd April – so will probably appreciate some help and guidance with this aspect of their visit from their hosts.

If you can help, please contact Michael Freeman on 0409 942034

The students are:

David Gill – Team leader. (Vegetarian).

David grew up in Perth, West Australia and moved to Hobart during high school. He is helping to plan the 2010 Global Health Conference being held in Hobart.

Brita Hoekman – is also a vegetarian (and soy milk)

Brita is originally from Sydney. She worked part-time as a veterinary nurse for 4 years prior to starting her medical studies.

Niyanta D'souza – no special dietary restrictions.

Niyanta is Indian and moved to Australia when she was 13. She studied Occupational Therapy for a year before commencing medical studies.

They are all interested in the holistic approach to medicine and are looking forward to experiencing community life in a rural setting.
