Presidents Report

After an absorbing 30 minutes from our two Guest Speakers Annette Yaxley and Sally Cumming who spoke to us on the problems facing young people today, Rotarian Graeme and myself mentioned about having a Forum on the same subjects as they spoke on last Monday. They indicated that they would be very interested, so Graeme and I will follow up the idea. What do you think?

Our thanks from all Rotarians must go to Rotarians Wolf and Steve for their readiness and ability to act quickly and accept the job as volunteers to run the sausage sizzle at the Market at East Wynyard and raise \$391.00 for Rotary. A job well done.

While talking of Sausage Sizzles, Wolf has put forward a great idea that perhaps the Club could organise and run a sizzle outside Woolworth's Super Market each Saturday morning.

Talking to our two visiting Rotarians from Port Macquarie Val and Graeme Wiggins they wished to pass on to all of the members who made them feel so welcome that they had visited many Clubs while in Tasmania, and our Club stood out as the best they had visited.

Music Hall is progressing in earnest, so helping with backdrops, marketing, productions and other items is up to everyone to get involved, as this year will be no exceptions as to the high quality our patrons expect.

Yours in Rotary

Chris

The words 'racecar',
'kayak' and 'level'
are the same whether they are read
left to right or right to left (palindromes).
(Yep, I knew you were going to 'do' this one.)

And do not forget MEPPEM it is one also.

Thank you to all the members that provided soap, shampoo, conditioner and body lotions from your stays in hotels. I purchased the organza bags, toothbrushes, tissues, bandaids, combs, emery boards, brushes, clippers, etc etc.

Please keep collecting as these little things mean such a lot to these people. Trevor and I will be delivering them to Bayly Welfare after Easter.

Esteemed colleagues of the international community:

Do you know someone who is interested in expanding their knowledge of peace building, conflict resolution, and mediation?

If you do, recommend him or her for a Rotary Peace Fellowship! Rotary, one of the world's largest humanitarian service organizations has partnered with seven leading universities around the globe to host the Rotary Centers for International Studies in peace and conflict resolution.

Each year, Rotary selects up to 100 Fellows to study peace and conflict resolution at universities around the world.

Some of the program highlights include:

- A choice of either a three-month certificate course or master's degree program
- The opportunity to study at one of seven universities around the world
- Training in the root causes of conflict, theories of international relations, and effective models of cooperation, conflict resolution and negotiation
- Full funding for tuition, housing expenses, and airfare
- Access to a growing network of committed alumni employed around the world in diplomacy, government, non-governmental organizations and private corporations.

The master's level degree program is aimed at mid-career professionals in government, nongovernmental organizations and private corporations. The certificate program is for professionals currently holding a mid- to upper-level position with a minimum of five years of experience in the field of peace and conflict resolution.

Please forward this e-mail to anyone you think might be a worthy candidate. Together, we can help train and equip our future leaders for a better tomorrow.

Applicants are encouraged to apply now via their local Rotary Club. All applications must be received by Rotary Headquarters by 1 July 2010.

Science and Engineering Challenge

The Challenge for 2010 is well underway at an organisational level, attached is the brochure distributed to the schools by Utas and the list of schools contacted for your information.

This year the Challenge will be held at the Devonport Recreation Centre, two days are planned, Monday July 12 and 13, depending on schools registrations and student numbers. Set up and volunteer briefings are to be in the afternoon, Sunday the 11th.

School/student registrations are progressing well, I will keep you informed as it develops.

The essential volunteers for the program are traditionally mainly Rotarians, others interested such as potential employers, educators, scientists and engineers will of course be welcome to assist. The program will require around 30 volunteers per day and as last year should connect very well with Rotarians.

This along with distribution of information will gather momentum during May and June, at this stage it will be appreciated if you could pass the dates to the Clubs and forewarn the agenda.

I have also included the 2010 Calendar to show the breadth of the program across Australia.

Any early feedback from Clubs will be well received and I will be pleased to respond to any questions or requests.

Peter Scott
