Presidents Report

Firstly my thanks to those Rotarians who have volunteered to assist in coordinating the Science and Engineering Challenge, I should be able to tell you more with details of dates and times plus venue.

Rotary Youth Driver Awareness Program is not far away and for those Rotarians who made themselves available, I am sure you will be impressed as some changes have been made to this year's program. Four Rotarians is all they require from our Club.

I have read the Annual Report for year 2009/2010 of The Lions Club of Wynyard and found some very interesting fundraising projects they participated in. One thing that caught my eye was, they have worked 1680 man hours, which is an average of 54.2 hours for each member

We have been asked for a donation to assist in the purchase of playground equipment from a park in Hobart. The equipment is in very good order and originally cost in excess of \$40,000. The idea is to ship it over to FIJI in a container to provide play facilities for children in the new K2 village where construction has commenced. As this is a RAWCS program and the donation they are asking for is very small, consideration by the new Committee will consider funding this project

Yours in Rotary

Chris

Queen of Hearts: Rekha drew out Andy's name and in his absence drew a card for him - Jack of Diamonds. The kitty is sure getting worth winning!

Heads 'n Tails was won by President Elect Ray.

MEETING HELD MONDAY 31ST MAY

President Chris welcomed Mitchell Freeman - Michael's son and Rekha Ratnagobal our Rural Medical Student.

This was Mike Cook's last meeting before he takes Leave of Absence until September. Have a wonderful holiday Mike. Mike advised that his mother celebrated her 102nd birthday today. Happy birthday!

President Chris has asked all members that are not involved back stage and performing to please complete the front of house roster and return to Fay. Perhaps some of the backstage members and performers have family that may be able to assist. Also, please advise if any of you hold a first aid certificate.

President Elect Ray handed out 2010-2011 positions for comment. He did say that he made a couple of deliberate mistakes to just see if you are all on the ball. If you have any queries on any of this please see Ray.

A few weeks ago Fay heard about a lady in Fiji that needed glasses but couldn't afford them. Fay offered to send over some second hand glasses that she could at least use the frames to assist. Fay was telling Judy Taylor about this and Judy also donated a couple of pair so five pair were sent over. Va tried them on and actually found some where the lenses enabled her to read again. She was very appreciative as she can now read her bible again. Some people in her village asked where she got them and she send 'an angel sent them to me'.

Fay read the next chapters of Greg & Anne's very very interesting holiday thus far. If this is how it has started off one wonders how it will all finish up. You certainly get the impression that Greg is not very impressed with Anne for leaving her handbag behind with the passports! I am sure Greg will be fined plenty when he gets back.

Fay also read an email received from Steve & Helen Walker. They are having a wonderful holiday touring through Victoria and New South Wales which will end at the Gold Coast for an Industry Conference before travelling back.

Community Service - Trevor. Trevor advised that the cement slabs had been done and thanked those that helped with the project thus far with special thanks to Wolf and Kevin Hyland (and his truly) and to Michael who delivered the morning tea which was provided by Julie McGeever. Thank you Julie. A letter of thanks will be sent to Bramich Concrete for their donation of the concrete.

We now have special Guest Speaker Certificates to present along with the Rotary Pens. These are from Australian Rotary Health advising thanking the Guest Speaker and advising that our Club has made a \$20 donation to Australian Rotary Health for them giving their time as our Guest Speaker. If you are the Chairman for the night please ensure that you have one of these certificates signed by the President for presentation.

Music Hall is now in full swing on all avenues. Most of the letter box drops have been done, posters have been put up in Wynyard (thank you Julie McGeever), posters are to be put up in Burnie (thank you Ellen), letters have been sent to the Bus companies, editorials have been and will be written and ads placed and all Rotary Clubs will be sent details. Members please circulate the flyer that was emailed to you. At this point in time we have advertising in the program to the value of nearly \$1000 which will go towards the overheads of marketing. Duncan and Di Howes have completed all the arrows with seat numbers for the table bookings. thank you Duncan & Di.

Fines Session - Sgt Steve. Good to have you back after your holiday to the Territory Steve.

Steve Seaford - fined himself for not turning up for the cementing. He read his text message as 1.30 and not 10.30 and another fine for being 'legless' at Uluru.

Trevor - was fined for calling Michael a boy and for putting his dog in the naughty room for 5 minutes and then going over town and forgetting about her.

Judy Taylor - fined Wolf and Michael for the mess that they left in her studio.

Sparra - was fined for his fancy dress outfit (football scarf) and was seen to be having his mouth taped.

Fay - fined Steve Charles for a real fish that their son caught in Fiji.

Tony Wilson - paid a happy dollar for attending the smallest Rotary Club in Australia. 3 members were away, there were 2 guests and had a total of 6 people present!

Many people didn't receive their Bulletin this week. Doug is not sure why so perhaps he could send this one again so we can have a read.

Don't forget if you haven't replied to the Changeover Invitation please do so as soon as possible (and pay). We only have a meeting on the 7th and then it is Changeover on the 19th. The 14th is a Public Holiday.

Could you please give some thought as to whether you would like to write the meeting report for a month or two. I will be away all of July and it would be good to have someone different reporting from time to time. I would suggest 4 people to do it three monthly. Please let me know if you could do this. Fay Hopf.
