### Ken Gourlay: Tasmania's Australian of the Year 2008

Ken Gourlay dreamt of being the first Tasmanian and the fastest Australian to sail alone, non-stop and unassisted, around the world.

With more than 70,000 nautical miles of sailing already behind him, including several Sydney Hobart races and line honours in a Melbourne to Launceston race, Ken set out in his 42 ft yacht Spirit Silver Edition in November 2006 on his solo quest of circumnavigation.

He returned to Launceston in the record time of less than 180 days, just pipping the previous best time set in 2001, and officially became only the sixth Australian to do the journey under the stringent rules which apply to these feats of courage and perseverance. This makes him the fastest, and oldest, Australian to circumnavigate the globe. Along the way, he raised more than \$100,000 for medical research into eyesight disorders and diseases in children. Ken truly does live his dreams to the full.

## Rural Health Week Pit Stop at Myalla Community Centre 12<sup>th</sup> November

The Pit Stop health crew moved into the Myalla Community Centre last Thursday and had a busy day assessing the health of 27 people, including 5 of our Rotary members. President Chris led the way and was given an excellent rating for his BP so we're in good hands this year! Andy Nichols is now motivated to make some changes and started well by diving into the watermelon! No need to worry about Michael Freeman's appetite, it hasn't been affected by the neck brace and he gave all the food his personal recommendation! Eliza

Wood, Rural Reporter for the ABC, interviewed President Chris and did a live "cross-over" at lunchtime and then recorded several interviews with participants which went to air on Friday 13th. I recorded the Friday section on cassette so it is available if anyone is interested. Eliza stayed on to have her own health assessed and enjoyed talking to everyone in detail. The Pit Stop crew were very pleased with the numbers, double their usual attendance apparently! Eliza would like to know of anything else we are doing which would suit the Rural Report.

My thanks to all those who came out to help!

Janet Sell, Vocational Committee.

## DUTY OF THE CHAIRMAN

### COMMITTEE REPORTS

It is important to get to the meeting early so that you can check with the various chairs of committees to see if they are going to have a report. This is much better than asking when you are on your feet and chairs saying 'no report'. This looks very unprofessional.

### GUEST SPEAKER

It is a very good idea to find out a week before who the guest speaker will be and make contact with them. You need to find out whether they require any technical equipment, whiteboards etc and also ask them if they can forward you a short resume on themselves and their topic. Also, check if they have any dietary restrictions so that the Club can be advised.

When the Guest Speaker arrives the greeter and yourself should make the person welcome and introduce them to the President and other members. Ask whether they would like a drink.

When you are sitting beside them ask questions so that you can give an accurate introduction. Take down a couple of notes when they are speaking so that you can make comments when you are thanking them for their presentation.

**President Chris** advised that we needed to vote on the Notice of Motion for Standing Order no 10. There were 25 members present out of a possible 34.

This Currently reads: 'that signatories to the Club's Financial Institution accounts be any two of the President, Vice President, Treasurer and Secretary and Assistant Treasurer'.

The Motion put to the Club was:

'That signatories to the Club's Financial Institution accounts be any two of the President, Vice President, Treasurer and Secretary and Assistant Treasurer. Provided that no two signatories to the Club's Financial Institution Accounts shall be members of the same family and or reside in the same abode.

This was moved by Sparra Webber and seconded by Michael Freeman.

Fay spoke against the motion and other members commented.

Doug said that he would withdraw the motion in its present wording.

It was moved by Greg Smith and Seconded by Mike Cook that the Motion lays on the Table.

#### **GUEST SPEAKER - BETTY HITE**

Betty was very ably introduced by Graeme Saward. Betty spoke of the formation of City Kitchen and the way it all evolved. She has a handful of volunteers from Wynyard and the rest are from Burnie. She now has enough volunteers to be able to do a 4 month roster. Many organisations are assisting her with food including Cripps, Betta Milk, Beswicks, Young's Vege Shed and storage is supplied by Bulk Frozen Foods. They cater for up to about 10 people per night per night and any leftover food is donated to Serenity House. In winter they serve soup and stew and in summer it will be sandwiches and filled rolls. They always have a male driver on roster and are hoping to service Somerset and Wynyard if the need is there. Betty took a number of questions and was presented with a token of our appreciation.

Before he closed the meeting President Chris commented on the great 'Country Practice' article in Saturday's newspaper - thank you for your efforts Janet.

Hi Janet!

I am officially back in Hobart for the summer. Yay! Drove down yesterday and got home yesterday afternoon just before my sister left for a holiday in Malaysia and Laos (I'm very very jealous of her). It's a little hard finding things to occupy myself with though. It's been so long since I last had a decent break! I'm very very glad exams are over for this year though.

I just wanted to say thankyou for all your help this year, and thankyou to everyone at Rotary for making me feel so welcome and adopting me.

I hope you all have a wonderful Christmas and New Year's and enjoy the summer. I'll see you next year!

Rekha.
